ORDER REGARDING DEFECTIVE NOTICE OF
MOTION AND OPPORTUNITY TO OBJECT ("NOTICE")

On August 17, 2009, counsel for the debtor filed the Notice (docket record entry #57) with respect to a post-confirmation plan modification motion filed on that same date (docket record entry #55). In that Notice, the apparent date designated as that upon which counsel for the debtor executed the Notice is stated to be "May 6, 2009". This is obviously an erroneously designated date. The Notice otherwise complies with all requirements in that the objection deadline of September 17, 2009 is correctly stated, and the certificate of service evidences service on August 17, 2009.

Debtor's counsel is admonished to be cognizant of the need to enter a correct date for execution of a motion. However, the motion otherwise complies with applicable rules, as does the Notice.

IT IS ORDERED that the motion will be approved by separate order.

Dated at Hammond, Indiana on October 9, 2009.
